

# Luna Track

## TRACKS AND ACCESSORIES | DALI SERIES

The complex Luna Track can be equipped with a wide range of low voltage track-mounted luminaires: from spotlights to linear luminaires, easily mounted with the magnetic properties. The track can be suspended, surface mounted, trimless mounted and recessed mounted. All for a maximum flexibility in installation, great design with no more visible wires and perfect alignment of the luminaires.

Available in various lengths: 1m, 2m and 3m that allow you to obtain the most flexible infrastructure for the lighting project. The track can be cut on-site if necessary. The track consists of an external extruded aluminium housing. It is available in white and black.

The Luna Track is available in multiple versions:

- ST1 Luna Track - Surface mount / Suspended
- ST2 Luna Track - Suspended
- ST3 Luna Track - Trimless mount
- ST5 Luna Track - Trimless mount - only for new construction
- ST6 Luna Track - Suspended
- ST8 Luna Track - Recessed mount
